

Linear Dynagraph Activity

1. Record your answers for Activity 1:

a. Equation _____ Graph _____ Table _____ Dynagraph _____

b. Equation _____ Graph _____ Table _____ Dynagraph _____

2. Record your answers for Activity 2:

a. Equation _____ Graph _____ Table _____ Dynagraph _____

b. Equation _____ Graph _____ Table _____ Dynagraph _____

3. Record your answers for Activity 3:

a. Equation _____ Graph _____ Table _____ Dynagraph _____

b. Equation _____ Graph _____ Table _____ Dynagraph _____

4. Record your answers for Activity 4:

a. Equation _____ Graph _____ Table _____ Dynagraph _____

b. Equation _____ Graph _____ Table _____ Dynagraph _____

5. Record your answers for Activity 5:

a. Equation _____ Graph _____ Table _____ Dynagraph _____

b. Equation _____ Graph _____ Table _____ Dynagraph _____

6. Record your answers for Activity 6:

a. Equation _____ Graph _____ Table _____ Dynagraph _____

b. Equation _____ Graph _____ Table _____ Dynagraph _____

7. Challenge Activity:

a. Which dynagraph(s) have a positive slope? How do you know?

b. Which dynagraph(s) have a negative slope? How do you know?

Linear Dynagraph Activity

- c. Which dynagraph(s) have a slope of 1? How do you know?
- d. Which dynagraph(s) have a slope whose absolute value is less than 1? How do you know?
- e. Which dynagraph(s) have a slope whose absolute value is greater than 1? How do you know?
